IN THE UNITED STATES DISRTICT COURT FOR THE SOUTHERN DISTRICT OF INDIANA

MICHAEL HOWARD REED,

Petitioner,

v.

Case No.:

UNITED STATES OF AMERICA, Respondent.

28 United States Code §2241 re Case No.:4:09-cr-00076

ISSUE ONE SUPPLEMENT

FACTS AND PROCEDURAL HISTORY

On or about September 24, 2009, Petitioner was charged in a sealed Indictment, case number, 4:09-cr-00076, inter alia with possession of a firearm and ammunition by a fugitive from justice, in violation of, Title 18, United States Code, sections 922(g)(2) and 924(a)(2), as well as a forfeiture allegation, in accord with 28 United States Code, section 2461(c). He was arrested on 21 October 2009, in Clark County, Nevada and extradited to the District of North Dakota. On 20 November 2009, to face charges.

Petitioner vociferously plead not guilty and proceeded to trial, Pro-se, before the Honorable Daniel L. Hovland, Judge, United States District Court, District of North Dakota, Bismarck Division, from 25 January 2010 to 28 January 2010, wherein a jury returned a guilty verdict on all counts.

Despite motions for a directed verdict and acquittal, all of which were denied, Petitioner was sentenced on 23 April 2010, to eighteen months imprisonment, twenty-four(24)months of supervised release, and has remained in continuous federal custody, since his arrest. This Court has jurisdiction to hear and decide this matter. It is the controvention of Petitioner's "actual innocense" and blatant violations of his 6th and 14th Amendment, US Constitution Due Process rights and 8th Amendment liberty interests that make this motion ripe.

While in continuous federal custody and awaiting formal designation by the Federal Bureau of Prisons, Petitioner was indicted on new federal charges, case number, 1:10-cr-00041, inter alia with attempting to file false claims, the filing of false claims and liens, and aiding and abetting, all in violation of Title 18, United States Code, sections 1521 and 2. He was also

indicted, inter alia with endeavoring to influence or obstruct justice, pursuant to Title 18, United States Code, section 1503(a).

Subsequent to pleas of not guilty and vigorous trialcontestation, a jury found him guilty of all counts and on 16 February 2011, he was sentenced to 108 months imprisonment, to run consecutive to case number 4:09-cr-00076 and additional supervised release.

Petitioner vociferously and categoricallly denied an essential element of his convicted offenses, mandated pursuant to Title 18, United States Code, sections 922(g)(s) and 924(a)(2), in that he was never convicted of a felony offense(emphasis added). Petioner's prior records consist of the following:

- (a) June 01, 1992, misdemeanor domestic violence, to which he was sentenced to a suspended term of (6)six months incarceration;
- (b) March 15, 2006, misdemenor possession of drug paraphenelia, to which he was sentenced to one year of probation, which was revoked and he was re-sentenced to a suspended term of one year in jail;
- (c) November 6, 2008, misdemeanor conspiracy to violate the controlled substance act, to which he received 130 days imprisonment.

Consequently, he was both legally and factually innocent, as a matter of law. More importantly the district court effectively lacked jurisdiction over the offense and subject and his Honorable Court, must intervene judicially to reverse and remand Petitioner's conviction and sentence, in accord with 28 United States Code, section 2241(d)(i).

JURISDICTION

Actual Innocence, serves as a gateway through which a petitioner may pass whether the impediment is a procedural bar or expiration of the statute of limitations. McQuiggin v. Perkins, 183 S.Ct. 1924, 185 L.Ed. 1019; 2013 U.S. LEXIS 4018. No. 12-126, (May 28, 2013).

Please accept this letter brief in lieu of a more formal petition.

Under the Antiterrorism and Effective Death Penalty Act of 10, 110 Stat. 1214, a petitioner has one year to file a federal petition for habeas corpus, starting from the date on which the judgment became final by the conclusion of direct review or the expiration of the time for seeking such review. 28 U.S.C.S §2244 (d)(1)(A). In the case <u>sub judice</u>, actual innocence permits petitioner to pursue his Constitutional claims on the merits not withstanding of a procedural bar to relief. Hencefort, this action pursues.

Page 2 of 3

The actual innocence rule innures to prevent the fundamental miscarriage of justice exception and the equitable discretion of habeas corpus courts to see that federal constitutional errors do not(emphasis added), result in the incarceration of innocent persons. Petitioner is an innocent man and this most Honorable Court must act upon this grave injustice. Schlup v. Delo, 513 U.S. 298, 115 S.Ct. 851, 130 L.Ed. 2d 808(1995); House v. Bell, 547 U.S. 518, 536-537, 126 S.Ct. 2064, 165 L.Ed. 2d 1(2006).

Petitioner was wrongfully and erroneously convicted and, subsequently sentenced for an offense it was impossible factually and legally to commit; one he is "actually innocent" of. Devoid of any indicia of proof and a scintilla of evidence he had a prior felony conviction, statutorily and factually he should have never been arrested, charged, indicted, convicted and sentenced for an offense, he was incapable of being guilty of.

For the aforementioned reasons and because this actual issue has never been considered by any court, this Court mustreverse the convictions.

Most respectfully,

REED,

Michael need 04414-048 POBOX 33 Terre-Haute Indiana 47808
